Young Texans Against Cancer - Mission Statement

YTAC is an independent nonprofit organization comprised of young men and women who have either lost or witnessed a loved one fighting cancer or are seeking to become more actively involved in the cancer community. Our organization is focused on raising funds for local support and research organizations, using our member base to increase awareness of volunteer organizations and helping to educate our community on cancer research.

Letter from the President

Dear Founder, Members and Friends of YTAC-Austin:

I would like to take this opportunity to thank you for participating in Young Texans Against Cancer. Because of supporters like you, we were able to have a very successful year and surpass the goals of 2007!

As we reflect on 2008, it's been quite a year for YTAC around the state. As you all know, a Dallas chapter was created and has been well-received by the young professionals of the area. Based on word of mouth and members in the Austin and Houston chapters, YTAC is becoming a household name in our demographic and quickly spreading to other parts of the state. In 2009, another expansion chapter started in San Antonio, so please keep spreading the good word!

On a local level, the Austin Chapter has maintained a solid membership and worked to gain support around the business and philanthropic community. The second year of a non-profit is usually the most difficult to overcome but with an active group of participants we stayed the course and proved that YTAC-Austin will be around for many years to come!

I strongly encourage you to become more involved in our organization by volunteering your time or helping us raise money for the local cancer community. Please contact me or a fellow board member if you would like to participate on the board or as a member of the membership, development, philanthropy, or social committees.

Again, thank you all for your continued participation and support. I look forward to seeing everyone at Annual Membership Drive in 2009!

Sincerely, Holly Deshields - President

Donations & Charity

This fall, YTAC-Austin was the beneficiary of the Delta Tau Delta golf tournament at the University of Texas. A fraternity representative will attend our Annual membership drive in March to present a \$5,000 check to our organization. YTAC-Austin Chapter is in the process of selecting a local non-profit cancer organization for our end of year giving. The decision will be finalized in this spring, so stay tuned!

YTAC-Houston is proud to announce that we were able to present to Baylor College of Medicine a check for \$100,000 from the proceeds raised from our Second Annual Golf Tournament at Wildcat Golf Club on October 20th. The funds will support Dr. Anderson’s Ovarian Cancer research.

New! YTAC – San Antonio Chapter

Since the Austin & Dallas chapter was so well-received in a new community, we have now expanded to San Antonio. They are currently in the process of recruiting new members. If you know anyone interested in becoming a member in San Antonio, please email Brent Conger at awbconger@gmail.com. Let’s help make this chapter a success by getting the word out to our friends and family in the San Antonio area!
